How can I help my child with reading at home?
Dear F-2 parents,

You are invited to come to a Reading Information Session. Teachers will answer your questions about reading, and explain what to expect from your child and the school. We will also give you some ideas about helping your child at home. There are 2 sessions. You can come to one or both (they are the same). We will be talking about the same things we did in these sessions last year. Please fill in the form below and return the form to your child’s teacher by Monday March 2nd.

Thankyou,

Richard Green and Ana Kitharidis.
