Bridges Reading Program 2019

‘Bridges’ is a reading program to assist students with their reading comprehension.

We are looking for volunteers to help run our successful Bridges program at Silverton. Our results have amazed us. It involves being available for **40 minutes, three times a week.**

You will be working alongside an individual student over a period of time on a variety of literacy activities, including reading and writing together, improving vocabulary and oral language .

If you are interested or know of someone else (Grandma, aunty, uncle) please fill in your details on the information sheet or see Mrs Kitharidis in the portable in the infant playground.

Thanking you

Ana Kitharidis
