MAP OF SCHOOL

PRINCIPAL'S WELCOME

On behalf of the staff, children and parents of Silverton Primary School I welcome you and your family to our school community.

Our school's motto is "Aiming For Excellence." When you join our school community you will quickly become acquainted with the quality and richness of programs that are designed to meet your child's needs. Our school values are used in our everyday dealings with each other {colleagues, students and parents} and in the development of our programs and policies. The values form the moral purpose of our school and the foundation for ensuring the best school environment for all of our community. In 2018 we received 2.1 million to upgrade our administration building, Learning Centre 5 and various outside areas. These upgrades have complimented our school grounds.

Your active interest in your child's education and your co-operation with the school are requested to make the team effort of school and home effective. It is only by these means that the realisation of the educational attainments of your children is possible.

We are very proud of our tradition and heritage at Silverton, but at the same time we recognise the school exists to continually promote the growth of all its members - students, parents and staff.

I see the education of the children as a joint project between home and school. You have started their education and prepared them for us. We are extending their knowledge, however to do this effectively we must work together. Thank you for your good work to date. It is by working together that we are able to jointly ensure your children are given a sound education.

Whilst at Silverton your children will be afforded the opportunity of working in one of Victoria's most up to date Primary Schools, Silverton Primary School has been recognised Australia wide and in many parts of the world, as a progressive and innovative school that sits at the cutting edge of education. We believe that the children at Silverton are very fortunate because the size of the school is ideal for fostering excellent learning and communication in a caring family atmosphere. Children are able to work in a safe, secure and friendly environment. Children identify with the school and develop a strong sense of belonging and pride.

The school has a tradition of excellence in academic achievement and also a balanced program in creative skills and sporting programs. Children are given the opportunity to explore a variety of experiences and to reach their potential.

The Department of Education and Training's review of Silverton Primary School clearly indicated that the academic performance of our children is above State Average and well above Like School Performances. The Parent and Staff Surveys also indicate that our school is rated one of the highest in the state. This achievement is something our whole school community can be very proud of.

In the past, Silverton has been recognised worldwide as a Microsoft Showcase School, and are currently a Social Ventures Australia "Powerhouse" School in their Bright Spots program due to the innovative high level Teaching and Learning occurring here. Our school has been awarded the Victorian Education Excellence Award for Curriculum Innovation, the Regional Science and Mathematics award as well as the Most Outstanding Leadership Award.

The school places a strong emphasis on the use of computers in teaching and learning. Children in grades 3 to 6 are involved in a 1:1 computer program. The school has its own television studio, FM Radio Station, Sound recording studio, Planetarium as well as numerous technological devices to support the children in their learning.

The school is proud of its staff for the commitment, effectiveness and professionalism with which they undertake their roles and responsibilities, and the care and concern they show for all of our students and families. Staff work together to provide a well-managed, safe learning environment that caters to the learning needs of all students.

At various times throughout the year you will be given opportunities to familiarise yourself with your children's programs and progress, however if the need arises, please feel free to make an appointment to discuss the matter with your child's Class Teacher, Learning Centre Leaders, Assistant Principal or myself.

We look forward to your child being part of our great school and invite you also to participate in the many activities for parental involvement in the school. We hope your association with our school will be a long and happy one, as we work together to achieve the best possible education for your child.

Amanda Prosser
Principal

PROFILE

VISION STATEMENT

Silverton Primary is committed to providing a learning environment and educational programs which will motivate, challenge and support students to become lifelong learners. The school aims to maximise student potential in a safe and caring community in which academic achievement, positive self-esteem, cultural diversity and the rights of all are highly valued and respected.

VALUES

The core values which form the basis of our actions are:-

- Integrity
- Trust
- Honesty
- Responsibility
- Confidence
- Emotional and Psychological Well Being
- Academic Achievement
- Respect
- Learning
- Professionalism
- Cooperation
- Self Esteem
- Community Partnerships

INTRODUCTION

Silverton Primary School is situated in Jackson's Road Noble Park, amidst an established residential area of the City of Greater Dandenong. The school was opened in 1977 and currently has an enrolment of 513 students. The steady increase in enrolments over the period in an area of declining school age children is testimony to the standing Silverton has in the community.

The majority of the students are from the immediate locality but a significant proportion of the enrolment comes from outside this area. Silverton Primary School draws students from Dandenong Nth, Dandenong, Noble Park Nth, Noble Park, Springvale, Rowville, Mulgrave, Hallam, Doveton, Springvale, Cranbourne, Glen Waverley, Patterson River and Keysborough areas.

The school is currently organised in five (5) Learning Centres, reflecting the Victorian Curriculum levels. Teaching staff are employed consisting of the Principal, Assistant Principal, 1 Leading Teacher, 1 Learning Specialist, 1 student Welfare Co-ordinator and Generalist teachers. A significant number of part time staff enhances the breadth of curriculum provided. Support Staff consists of a Business Manager & 3 Administration staff, Teacher Aides, Handyman/Gardener, Library Technician as well as Mandarin, Chess, Instrumental Music and Dance teachers. A highly nutritional canteen is available five days a week. Two staff manage the Out Of School Hours Care (OSHCare) program, with a number of support staff and one staff manages our Playgroup program.

GUIDING PRINCIPLES

At Silverton Primary School all students are offered the opportunity and support to grow in confidence and self-esteem in a flexible, happy and positive environment. Students are expected to increasingly take initiative, accept responsibility for both their learning and their behaviour, and to exercise various forms of leadership.

Our main aim is to foster in students qualities and skills that will enable them to adapt to a changing world.

CURRICULUM

Silverton reflects the concept that all children will have success through the provision of a wide range of programs that develop children as learners. The school's policies and programs support a learning environment, which encompasses the Victorian Curriculum from Foundation (formerly Prep) to Year 6 with an increasing emphasis on the application of computers and learning technologies across the curriculum including laptop/tablet 1:1 Program. Literacy and Numeracy remain a priority in our School Strategic Plan.

The diversity of the Silverton community is acknowledged through a curriculum program which gives attention to equal opportunity issues, provides for the integration of students with disabilities and impairments, supports students from Non English Speaking Backgrounds, and caters for students who need extension, enrichment or extra assistance.

Core teaching programs are enhanced by the provision of opportunities for participating in the performing arts, multi-cultural celebrations, sporting activities, school camps and programs for students with particular talents and interests.

Specialist programs include Visual Arts, Physical Education, Music, Science, LOTE and Digital Technologies. Support programs include Literacy and Numeracy intervention and EAL (English as an Additional Language). Early Years Literacy, Early Bird Reading program and Numeracy co-ordinators are provided to support the school's program. Enrichment programs are offered through instrumental music, dance and LOTE. Teachers plan units of work as teams with rotations within Learning Centres utilising the various expertise of staff. Parenting programs are provided to assist in the classrooms. Intervention programs are provided for children needing special assistance. Staff utilise Individual Education and Learning Plans to support the needs of the children. Student Support Group meetings are arranged as required to support student progress and wellbeing and facilitate home/school communications.

Extensive Professional Development is provided for both teaching and non-teaching staff in all areas of the Curriculum, Digital Technologies and Student Welfare.

The Performing Arts is a focus with Instrumental music and dance/drama catered for through external teachers employed to instruct the children. A school concert and Art Show are held on alternative years.

Parent programs are offered as well as staff and high-level programs for the children. The school has developed its own television studio and 24/7 FM Radio Station. The computer technician program managed by the school for a cluster of 38 schools was used as a model to develop the now very successful DET technician program in schools across Victoria to showcase Digital Technologies in the school curriculum.

A strong children's leadership program is operative including Silverton Student Committee, School Captains, House Captains, Sport Captains, Environmental Captains, Performing Arts Captains, Media Captains and Peer Mediation Program. Children have an integral role in weekly assemblies and self-esteem programs are developed including presentation of "#SSS – Silverton Super student" awards.

The school provides an 'Introduction Interview' in Term 1 and a 'Student Led Conference' mid-year with two written reports aligned to the Victorian Curriculum for each student during the year. The reporting and assessment format is constantly being reviewed to cater for both the parents and school needs. Parents are encouraged to visit the school to discuss any concerns. Regular Program Support Group meetings are held for children on the integration program and students with additional needs.

School Council provides strong and supportive leadership for the school community, delivering clear direction through open and informed communication channels. The school promotes participation and regular communication between parents and teachers. Parents participate in the school through their involvement in excursions, inter-school sport, outdoor education, literacy programs as well as highly productive and vigorous Parents' Association, School Council and Parenting Programs.

A successful Outside School Hours Care Program is available. We also run a Playgroup on the school grounds for pre-school children every Wednesday morning. Both these programs provide valuable resources for our local community.

ENVIRONMENT

The school was opened in 1977 with a unique Open Plan design consisting of five open plan teaching learning centres, 3 x portable classroom, administration block, and specialist wing consisting of a STEM (Science Technology Engineering Mathematics) Centre, Visual Arts, Music and Gym spaces, a Learning Resource Centre, Canteen and General-Purpose Room all established around a central courtyard. The school is maintained in excellent condition. A feature is the air conditioning of the entire school. The buildings are surrounded by spacious playing areas, which include an oval, attractive gardens, adventure playgrounds, vegetable garden, planetarium, as well as asphalt, grassed and shaded play areas.

The school has a reputation for safety highlighted by being a past winner of the City Of Dandenong "Safe School Award" which is a current Council Program.

Silverton Primary School will continue to provide a quality education for its students so they can become effective members of the community.

The school's expectations are consistent with the school motto
"AIMING FOR EXCELLENCE"

TERM DATES 2019

Term 1	Tuesday 29 th January (staff) Wednesday 30 th January (ALL students) - Friday 5 th April
Term 2	Tuesday 23 rd April - Friday 28 th June
Term 3	Monday 15 th July - Friday 20 th September
Term 4	Monday 7 th October - Friday 20 th December

2019 PUBLIC HOLIDAYS

Australia Day	-	Monday 28 th January
Labour Day	-	Monday 11 th March
Good Friday	-	Friday 19 th April
Easter Monday	-	Monday 22 nd April
Anzac Day	-	Thursday 25 th April
Queen's Birthday	-	Monday 10 th June
Melbourne Cup Day	-	Tuesday 5 th November

CURRICULUM DAYS - PROFESSIONAL DEVELOPMENT

Four days are already set aside by DET (Department of Education & Training) for each school's Curriculum Development of School Programs and Professional Development (children do not attend school on these days). Parents will be informed of these dates via the school Newsletter, email & Sentral once they have been set & approved by School Council.

SCHOOL HOURS

Normal School hours for all children are:-	Mondays	8.50 a.m. - 3.15 p.m.
	Tuesday – Friday	9.00 a.m. – 3.15 p.m.

SCHOOL COUNCIL

This body of teachers and parents plays an increasingly important role in the overall educational picture of the school as it involves decision making in many aspects of the school community.

These areas include:-

- Education
- OSHCare
- Facilities
- Finance

and all other matters which have a bearing on the smooth functioning of the school.

If you wish to become involved with the school and its Council and feel you would like to know more of the functions and responsibilities of this body, please contact the Principal.

The school can also give the telephone numbers of the President and Secretary of the School Council if you feel you would like to discuss the matters with another parent.

YOUR INVOLVEMENT WOULD BE MOST WELCOME.

PARENT PAYMENT

School Council has set the Essential Education Items Parent Payment for your child in 2019 at \$130.00 per child. This payment covers the cost of exercise books, classroom materials, photocopying and curriculum levies which help source additional student resources. Parents are asked to provide a minimum amount of stationary items for their children. If the Parent Payment is paid in full by 21st December 2018, you will receive a \$10.00 discount per student. If the first \$30 instalment is received by Friday 21st December 2018 you will receive a \$10.00 discount which will be taken off your final 4th instalment payment.

Parents are asked to pay their payment as soon as possible to enable the purchase of materials for our students early in the school year.

PARENTS ASSOCIATION

The role of the Parent's Association is a varied and challenging one. It is undertaken totally on a voluntary basis and provides a great opportunity to meet other parents. It is also a great way for the school community to use their skills, with the children reaping the rewards by way of support and extra money to help fund on-going improvements around the school.

The Parents Association is made up of elected members that meet once a month for an official meeting to discuss events planned for the calendar year. At other times PA members can be spotted in the courtyard talking about a new idea, finalising arrangements for an upcoming event or discussing a new purchase made for one of their many stalls.

The Parent's Association is best known for its work in fundraising, and through their hard work they usually manage to hand over a large sum of money that goes towards some of those extras that are provided around the school for the Children.

With the approval of the School Council the following are examples of some of the activities held throughout the year:-

- Mother's Day Stall
- Special Lunch Days
- Trivia Night
- Supper at School Concert
- Father's Day Stall
- Bunnings BBQ
- Family Portraits
- Sausage Sizzles

The inclusion of all new members, creative ideas and concepts is encouraged. The Parents Association is an easy way to get to know other families and spend productive time at the school. Contact the PA President or the school office for any further information. Your support would be greatly appreciated.

HOURS FOR FOUNDATION CHILDREN

Foundation students will attend the first Wednesday 30 January 2019. The following four Wednesday's they will not attend school. (6th, 13th, 20th and 27th February 2019.) Normal school hours, 8.50 a.m. – 3.15 p.m. on Mondays and 9.00 am – 3.15 pm on Tuesday, Thursday & Friday. Therefore they will not attend each of these Wednesdays. We do this for two reasons:-

1. We believe that this break in the middle of the week will make the adjustment to school life a little easier for the children and help them cope with this exciting new challenge.
2. The extra time will enable the Foundation Teachers to accomplish a number of important tasks.
 - They can meet at length with parents to discuss any issues concerning the children.
 - They have a number of assessments to do with the children. This time will enable them to administer, document and analyse these assessments. (N.B. To assist in this regard we may ask that some children attend for an hour or so on a Wednesday. The teachers will notify you in person if and when this is required.)

If your child needs care during these days, Silverton will be operating a special all-day program for Foundation students on the four (4) Wednesdays they do not attend school. From 8:45 to 3:15pm Silverton will organise a program, including playgroup and cooking. Children will need to bring their fruit snack, morning tea, and lunch with a drink bottle. They will also need a sun smart hat. Bookings are essential, please book with the school office. Cost is \$30 a day.

If your child needs care before school, 7am to 8:45am, and after school care, 3:15pm to 6pm, they will need to be booked into OSHCare for these times and then they will be signed over to care during school hours.

Please book with OSHCare staff for before and after school care requirements. (see Page 17 for more details on OSHCare)

The Foundation children will commence full school attendance (including Wednesdays) from the week commencing 4th March 2019.

SENTRAL – Parent Portal

At Silverton we use Sentral Parent Portal for communication. The portal is an integral part of communication at our school. You can:-

- Email teachers
- Notify your child's absence with an explanation
- Receive Push Notifications with Reminders
- Receive updates from teachers
- View the School Newsletter
- Access Excursion forms and other information is available
- View Calendar of events
- Access Student School reports
- Book Student LED Conference / Introduction interview Times
- And much more.

The Portal can be accessed via the Silverton Website by clicking on Sentral Parent Portal link or directly at <https://sentral.silverton-ps.vic.edu.au/portal/login>

Once your child has started school, you will be provided with the appropriate details to register.

FURTHER INFORMATION

LUNCH ORDERS

Lunch orders are collected daily at the beginning of the school session. Lunch orders should be written on the outside of a paper bag bearing your child's:-

1. Name
2. Grade
3. Learning Centre Number
4. Details of the order
5. Amount of money enclosed

Please enclose correct money when possible. If using an envelope to enclose money, make sure that it is sealed properly so that the money does not fall out, and then place this inside the paper bag.

DO NOT PLACE MORE THAN ONE CHILD'S ORDER IN EACH BAG

NB. A list of items available and their costs is available on the school website. You will be notified of any price changes throughout the year as they occur.

PLAY LUNCH

Children need to bring to school a substantial play lunch. They often begin to get hungry during the morning and can't wait until lunchtime to eat.

SNACK TIME

At approximately 10.00 am children are allowed to have a snack comprising of such items as a piece of fruit, dried fruit or some cheese but NEVER chips or lollies. If they wish, the children may have a drink of water from a bottle at any time through the day. Water bottles should be clearly named.

BELL TIMES

8:50am (Mondays)	School begins
9:00am (Tuesday – Friday)	School begins
11:00am	Morning Recess
11:30am	Session 2 begins
1:30pm	Lunch (inside)
1:45 – 2:15pm	Lunch break (outside)
2:15pm	Session 3 begins
3:15pm	School end – students dismissed

OSHCare

Our school OSHCare program (Outside School Hours Care) is available every morning and afternoon should you wish to use it. Bookings must be prearranged (please refer to page 17 for details of this program). The OSHCare Coordinator will help explain Payment Options. Direct Deposit is the preferred method of payment.

PLAYGROUP

We also run a Playgroup at Silverton for pre-school children. This is held on a Wednesday morning between 9:00 and 11:00am. There is no charge for this service. Bookings are not required but places are limited.

SCHOOL BANKING

All Foundation children will be given the opportunity to open a Commonwealth Bank Dollarmite Account early in the New Year. Children in Grades 1 – 6 will also be able to open an account or transfer an existing account from their previous school.

BANKING DAY IS FRIDAY. The banking is processed at school and the school receives commission for every book processed.

LOST PROPERTY

As mentioned it is important that all items of clothing are clearly labelled. Make sure that all articles of clothing worn to school are brought home again each day. Items of lost clothing and other items are placed in a plastic tubs located in each Learning Centre.

LITTER

We appreciate anything you can do to help teach your child about using rubbish & recycling bins and keeping the areas we use clean, tidy and free of rubbish.

EXCURSIONS & INCURSIONS

Each grade has excursions (outside school) & incurSIONS (at school) each year. These are held for specific educational purposes and all children are expected to attend. Plenty of time will be given notifying you of such activities. It is very important that the permission note be filled in and returned. If you have difficulty paying for an excursion or have questions about the event, please contact the teacher in charge. Questions and concerns can be directed to Teachers, Learning Centre Leaders or the Assistant Principal.

MONEY

Money sent to school for a specific purpose (e.g. swimming, excursions etc.) must be enclosed in a sealed envelope which can be provided by the school. The information on the envelope should include the child's name, grade/learning centre, the purpose for which it is intended and the amount enclosed. Students can hand these envelopes to their teacher or the office.

Payments can also be made by EFTPos, Credit Card or Direct deposit into the school Bank Account.

BICYCLES / SKATEBOARDS / SCOOTERS

Because of traffic hazards and the limited space available for secure storage in the area, School Council has determined that these items are not to be brought to school.

SWIMMING

Swimming is an important lifesaving skill. All grades are involved in a swimming program at a nearby heated pool. Seven lessons are conducted over a 2-3 week period by fully trained instructors. A fee is payable, which includes the cost of admission to the pool as well as bus transport. All children are expected to attend unless they have written medical reasons for not doing so.

PARENT HELPERS

The school very much welcomes parents to become actively involved in the life of the school. Working with Children Checks (for volunteers) are required. Some ways that parents currently help us directly in school programs include reading, story writing, computers, typing, excursions, sports training, applied mathematics, music programs, swimming programs, theme days, cooking, children's book making, covering and repairs to readers.

NEWSLETTERS

This is a key means of communicating to parents news of events in all branches of the school's operation and so it is a vitally important publication. Newsletters include children's publications. Newsletters and relevant notices are placed on our school Student and Parent Portal or our website www.silverton-ps.vic.edu.au.

FACEBOOK

We have a closed group Silverton Primary School Community Facebook page. We add reminders, links to the Newsletter, events and other general information and reminders. To access the page you need to answer 3 questions about Silverton.

<https://www.facebook.com/groups/silvertonprimary>

SCHOOL UNIFORM

The wearing of a school uniform is compulsory and we urge you to give the following advantages your consideration.

- a) The uniform is practical, neat and attractive.
- b) It avoids the need to wear other everyday clothing and in the long run is less expensive.
- c) It encourages the wearer to identify with the school, to feel as though he/she belongs.
- d) It greatly increases children's safety on an excursion as they are more readily identified.

Avoid losing items of clothing by clearly naming them and show your child how to take jumpers etc. off and put them into their school bags or lockers.

Reminder: We are a Sun Smart School and that the wearing of a school hat from September to April is compulsory.

NOTE: Items of school clothing may be purchased from the PSW, our uniform supplier.

Uniform is available at the PSW store in Hampton Park.
Unit 2, 10-12 South Link,
Dandenong South, Vic
Ph: 9768 0343
(Enter the car park off South Link)

REGULAR TRADING HOURS

Mon to Fri: 9:00am – 5:00pm
Sat: 10:00am – 1:00pm

Save Time, Shop Online at www.psw.com.au

Price list is available on Page 19 of this document, and from the School Office or School Website.

PARENT TEACHER RELATIONSHIPS

It is important to establish and maintain a co-operative parent-teacher understanding. Toward this end, we hope that you and your child's teacher can work in harmony for your child's future and that his/her days will be happy and successful within a sense of mutual respect.

During the year, special arrangements will be made for personal parent-teacher interactions and student led conferences. Their purpose is to permit an exchange of information between the home and the school.

However, if at any time you have any concerns affecting your child, come to us and have a chat about them. Parents are welcome at all times to call and discuss their child's progress but it will be appreciated and best for all parties, if an appointment is made at a mutually convenient time. Such appointments should be made through the Principal or Assistant Principal. The Assistant Principal also has a student welfare role and is readily available to provide assistance to students and their families and where possible, provide access to a range of specialist services.

HEALTH & WELLBEING

MEDICAL HISTORY

At all times, your child's class teacher is working in association with you in the best interests of your child. Please ensure that you inform the teacher of any illness, emotional stress or worries that your child may have in order that due consideration may be given. If you need to discuss this with your child's teacher please make an appointment. Such information will be regarded as confidential.

ABSENTEE NOTICE

Schools are required by law to keep accurate records, and are legislated to make contact with parents when a child is absent WITHOUT an explanation. So in the event of your child being absent from school, notification must be supplied to the teacher or the office staff giving details of the cause of absence. This can be provided in a variety of ways:

- Enter the absence through the Sentral Parent Portal
- ring the school and choose option 4 for Absences,
- send an email to admin@silverton-ps.vic.edu.au,
- send a message to the teacher via Sentral,
- complete an absence note

If your child will be absent for an extended period, it would be appreciated if you could contact the school and inform them of the circumstances to alleviate any cause for concern.

LATE PASS

If your child arrives at school after the bell, they are required to go to the Office for a late pass. We encourage children to be punctual for safety reasons and to ensure a smooth start to the school day. Children entering via the oval or Jacksons Road need to go straight to the main office.

SCHOOL VISITORS

In the interests of the students' safety the school has developed a policy with regard to visitors to the school. ALL visitors and parent helpers are directed to sign-in at the office and issued with a badge which they are to wear at all times while they are in the school. On leaving they are asked to return to the office and sign out.

LEAVING EARLY

Any person collecting a child early is requested to please go first to the office, sign their child out and then take the sign out pass to the class teacher. All people picking children up within school hours MUST be identified on the child's enrolment form.

PARENT EMPLOYMENT STATUS

Stating your current employment or unemployment information provides essential data to DE&T which attracts additional funding for the school to cater for student needs.

EMERGENCY INFORMATION

Individual information sheets are kept at the school in case of accident. If a serious accident should occur, we endeavour to contact the parents before seeking medical assistance, including calling an ambulance. This is not always possible. Any decision made regarding treatment of your child will be with the intention of performing our duties in the child's best interest.

PLEASE KEEP THE SCHOOL INFORMED OF ANY CHANGE TO PARENT'S TELEPHONE NUMBER (EITHER PRIVATE OR BUSINESS), AND CHANGES TO EMERGENCY CONTACT SO THE SCHOOL HAS A POINT OF CONTACT at all times.

IMMUNISATION HISTORY STATEMENT

All students starting school require an Immunisation History Statement from the Australian Childhood Immunisation Register (usually mailed out to you). This statement is usually issued after your child has completed all their immunisations. If you do not receive one of these statements, then you can apply at any Medicare Office (or online from Medicare).

ASTHMA CARE

Asthmatic students medication is kept in the Sick Bay/First Aid room. Students are required to have a school Asthma Action Plan which is provided by your doctor. They are kept in the students file. These forms need to be kept up to date and an updated plan needs to be given to the office every year.

MEDICINES / EPIPEN (for children with Anaphylaxis)

The school is equipped with first aid facilities sufficient to deal with minor injuries. Care and attention is always given to the extent considered appropriate. We ensure that a number of our staff have first aid qualifications.

Many children attending school need regular medication to control illnesses such as asthma, hayfever, epilepsy etc. Parents whose children have such needs should firstly discuss the matter with the Principal or Assistant Principal, and then acquaint the class teacher with full details. Sufficient medication is required to be kept at the school and replaced when past the 'Used by date'.

Children may require medication in the form of tablets or medicines from time to time for a medical condition. Parents should bring these to the school office and complete the appropriate form, which will include details of the child's name, dosage and time the dose is to be given. All medicines should be supplied in a suitable container, clearly marked with the child's name, grade and expiry date on them. This includes an EpiPen if the child is diagnosed as Anaphylactic. If this is the case we would also need a copy of the child's Anaphylaxis Action Plan. Most medications are stored and administered from the Sick Bay/First Aid Room (EpiPens are kept in the Learning centres).

EXCLUSION FROM SCHOOL

Certain infectious diseases are covered by specific Health Department regulations exclusion of the patient and others they come into contact with. The most common are listed below:-

<u>DISEASE</u>	<u>PATIENT SHALL BE EXCLUDED</u>	<u>CONTACTS</u>
Chicken Pox	Until fully recovered	Not excluded
Measles	At least 7 days after rash appears	"
Mumps	Until fully recovered	"
German Measles	(at least 4 days from onset of rash)	"
Conjunctivitis	Until fully recovered	"
Head Lice	Until appropriate treatment has commenced.	Close contacts should be inspected regularly.

Parents are asked to make routine inspections of their children's hair and to seek advice from a doctor, chemist or local council. Immediate and thorough treatment will overcome the problem. The school should be advised by parents if their child has been affected. Outbreaks of head lice are unfortunately an on-going reality.

SUN SMART

Over exposure to the sun presents a serious health risk. Students must therefore be educated as to the need for suitable sun protection, and protected from over exposure to the sun whilst at school.

- Children will be required to wear School Council approved hats (at least 8 cm rigid brim) from September to April whenever they are outside.
- Children will be actively encouraged to wear a broad-spectrum water resistant sunscreen (SPF30+). Sunscreen is provided in each learning centre, and on excursions. Sunscreen will be applied by students according to the manufacturer's directions, under the supervision of teachers.
- Please see our Sunsmart Policy – available from our School Website.

STUDENT ACCIDENT INSURANCE ARRANGEMENTS

Will DE&T pay medical and other expenses of people injured at school or during school activities?

If someone is injured at school, or during a school organised activity, the Department of Education and Training Development will not pay their medical and other expenses.

Parents and guardians are generally responsible for paying the costs of medical treatment for injured students, including any transport costs. Most medical costs will be refundable by Medicare. If you are a member of an ambulance or health insurance fund, you may also be able to claim transport or other expenses from the fund.

The Department of Education and Training does not hold accident insurance for school students.

Is other insurance cover available? YES

The Department is aware of one company – EBM Insurance Brokers Pty. Ltd., who provide accident insurance for students. These policies provide benefits for students who are injured in accidents for a reasonably low cost. Other insurers may also do so.

OUTSIDE SCHOOL HOURS CARE PROGRAM (OSHCare)

The school operates a quality Outside School Hours Care Program.
Current hours and cost of program:

Before School	7:00 am – 8:45 am	\$16.00 a session	Pupil Free Day	7:00am – 6:00 pm	\$55.00 for the day
After School	3:15 pm – 6:00 pm	\$20.00 a session	Vacation Care	7:00am – 6:00 pm	\$55.00 for the day

Bookings are available on a Permanent or Casual basis.

There are several convenient payment options such as cash, eftpos or direct deposit, please ask the OSHCare coordinator about these. Substantial fee relief in the form of Childcare Benefit and Child Care Rebate is available to eligible parents. Parents must register with Centrelink. Fees need to be paid in full and on time. Direct deposit is an efficient and easy way to show you have paid.

If you are unavailable to take your child home at 3:15pm, please consider booking a place in our onsite program to provide safe, convenient and sociable care of your child.

Children are provided with afternoon tea, a well-balanced program with games, craft activities, sport activities and more. As part of our National Quality Frameworks Program an OSHCare Parents Committee has been formed. Your participation would be welcomed.

OSHCare in 2019 will be offering a Vacation Care program, which is due to start on Monday 7th January 2019. The program details will be available during December 2018. Please ask the School Office for details.

The programs are run under the governance of Silverton School Council and supported by Government subsidies. Please contact Michelle Johnson (Coordinator), on **9795 5033 ext 2**. (An answering machine operates during school hours and calls are followed up from 2:30pm). Alternatively you can email oschcare@silverton-ps.vic.edu.au or Text Only to 0429 784 199.

STUDENT CODE OF CONDUCT

Silverton Primary School is committed to ensuring a respectful learning environment that is safe, positive and supportive for all students of the School. Discipline at this school is seen as an individual's ability to perform tasks and duties in a harmonious and safe manner so that others are not deprived of their rights and that there is no danger of injury to self. The children will be encouraged and assisted in developing harmonious relationships with other children, adults and the community in general. Silverton Primary School will provide clear guidelines to all students regarding the conduct expected of them whilst at School, engaging in School related activities or representing the School. Students are expected to uphold the School's core values at all times.
