

Kimandas' Canteen

Dear Parents/Carers,

Next week Kimandas' canteen will re-open, Monday 12th October.

We would like to reduce the number of children queuing up at the window for cash sales, therefore we encourage students to pre-order.

Can you please put your child's order on a paper bag or envelope with exact cash.

You can now order both their **recess** and/or lunch which will be delivered to the learning centre.

Here is a link to the latest [Canteen Price List](#).

Each grade has their own tub for children to place their lunch order in when they come into the Learning Centre in the morning.

Alternatively, parents can contact Kimanda's via their:
