

LC1 supports the Australian Commonwealth Athletes

At the start of Term 3 the students in Learning Centre One were offered the chance to personally show their support of some of our Australian Commonwealth Athletes. The students completed a Borobi (our Commonwealth Games mascot) message of support sheet and drew some incredible pictures of the athletes they were assigned. The drawings and messages of support will be making their way to Birmingham for the start of the Commonwealth Games, being placed on the athlete's beds in the athlete's village. The students worked amazingly on their own pieces and many students also assisted others to help them finish. A wonderful demonstration of teamwork and pride was shown, well done Learning Centre One!
