

LC4 PASSION PROJECT SHOWCASE

Over the course of the year, our Grade 5 and 6 students have been dedicating their time, creativity, and energy to their LC4 Passion Projects. On Thursday 30th October, they proudly presented their hard work to the Silverton community at our Passion Projects Showcase.

This long-term project encouraged students to explore an area they are passionate about while enhancing their skills, learning new techniques, and developing their own unique creations.

Throughout the year, students demonstrated patience, resilience, and a deepening understanding of the creative process as they designed, refined, and completed their work.

The projects on display reflected a wonderful range of interests and talents. Students created everything from handmade keychains, detailed dioramas, and original songs to impressive animation videos and illustrated comic books. Each project was a testament to their dedication and commitment.

Well done to all Grade 5/6 students for the fabulous effort and enthusiasm they brought to their Passion Projects. We are incredibly proud of the creativity and hard work shown by every student in LC4!
